Online documentation

Your CD includes full manuals on-line which you can read on your computer or print out in full. To access the documentation, you will need Adobe Acrobat Reader V4.0. This can be installed from your CD by following the steps below:

- 1 Place the CD in your computer's CD ROM drive
- 2 Click Start and then Run.
- 3 In the dialog box, type "D:\manual\rs40eng.exe"(where D is the letter of your CD drive)
- 4 Follow the instruction on your screen.

Once you have installed the Acrobat Reader, you can view the manuals by following the steps below:

- 1 Double click on the My Computer icon on your desktop
- 2 Double click on the CD icon. This will bring up the contents of the CD.
- 3 Double click on the "Manual" folder and then on "Manual.pdf"
- 4 Acrobat Reader will be launched and your manual displayed.

Print Studio

About Print Studio – The Print Studio lets you use all your favourite Lara images in a range of fantastic applications. You can create your own T-Shirts, greeting cards and calendars for fun, for family and friends. Endless hours of fun and creativity for all.

Installation – What you need to run Print Studio

To install and run the components of Print Studio you need a Pentium P90 Processor, running Windows 95 or 98, with the following configuration:

- * A CD-ROM drive
- * An SVGA video card capable of 256 colors at 800 x 600 resolution
- * A mouse or other Windows-compatible pointing device.

A typical installation requires 115 MB hard disk space. If you are unsure if your computer meets these requirements, consult your dealer or the person who installed it.

Installing Print Studio

To install Print Studio, follow the steps below:

1. Before installing, please ensure that you have read and understand the licence agreement below.
2. Insert the Print Studio CD into your CD-ROM drive. The Print Studio installation begins in the language of your Windows operating system.
3. Select the language in which you want to install Print Studio.
4. Follow the remainder of the on-screen instructions to complete the installation. Print Studio is now installed and a shortcut appears on your screen and in your Start menu.

Installing the Print Studio components

To install any of the Print Studio components, follow the steps below:

1. From the Start menu, select Print Studio.
2. Insert the Print Studio CD.
3. Select the application you want to install. The installation begins.
4. Follow the on-screen instructions to complete the installation.

Navigating within Print Studio & its components

Once Print Studio is installed, you have access to any of the other Print Studio component applications. To start an application, follow the steps below:

1. From the Start menu, select Print Studio. Print Studio appears on your screen.
2. From Print Studio select the application you want to run. The selected application opens.

NB: * If the application you want to run is not yet installed, you can install it from Print Studio. See Installation for details.

Please consult your Canon European Warranty System booklet for help desk details.

This licence relates to all the Software contained on the CD containing this licence (the Software) including executable programs, documentation, clip-art, fonts and supporting files (the Products) and this document sets out the terms and conditions relating to you (the Licensee) and your use of these Products. The CD itself is the evidence of your rights under this licence. By installing and using the product you accept the terms of this licence as part of the install process.

When the product was purchased by you the CD and accompanying documentation and packaging become your property. All Software and Images on the CD remains the property of GST Technology Ltd (greenstreet) and you also acquire a single user licence to use the Software under the following terms:

- 1 All worldwide copyright in and to the Software, Product and Content are and remain owned solely by GST Technology, its successors, assigns and/or licensors.
- 2 The Software must not be installed or used on more than one computer work station at any one time. GST does offer additional licences at reduced prices (see www.gstsoft.com for details)
- 3 The Licensee may make a reasonable number (maximum of three) of backup copies on floppy disk of the Software for use by the Licensee only.

Any copyright notices on the original CDs must be reproduced on all backup copies. No other backup copies may be made.

4 The Software and any documentation supplied in the Product shall not be adapted, modified, decompiled or disassembled in any way or translated into any other computer or foreign language either in whole or in part or be reproduced in any way whatsoever.

5 Any clip-art or fonts supplied with this product are royalty free for normal print use and web use where appropriate. However, clip-art and fonts may not be transferred electronically except as part of a compound document and may not be resold or transferred electronically in any way. Images may not be used under any circumstances for any form of sponsorship or commercial exploitation without further permission from greenstreet.

6 The Software or any part of the Product shall not be let out on loan, rent or lease or supplied to any third party in any way.

7 The Licensee is responsible for, and must use his best efforts to ensure that no other person breaks the terms and conditions of this agreement.

8 If the Licensee wishes to transfer this licence to use the Product to any other party, he must transfer the Original Product as well and its original contents together to the same party and may not transfer part only. Upon transfer the Licensee shall destroy all backup copies made by himself and shall delete from his computer(s) all files installed from the Product. The Licensee shall ensure that the terms of this Licence Agreement are drawn to the attention of any transferee and any transferee shall upon acceptance of the Product become subject to this Agreement.

9 LIMITED WARRANTY

greenstreet warrants that the Software in the package will substantially carry out the functions described in the Help but does not warrant that it is free of errors or bugs. No further warranty is given. In no event shall greenstreet's maximum liability, under any circumstances whether based on action or claims in contract or in tort (including without limitation negligence and strict liability) exceed the purchase price of the Software.

DISCLAIMER AND REMEDIES
